VARSITY SOCCER

Varsity Soccer, under the leadership of Captains Billy Haxo and Ed Perley, enjoyed their finest season in years. After going defeated last year, soccer turned the tables as it posted a 9-1-3 record and a fifth place ranking in the New England Soccer Association. Forward, Tony Antoniou, led the team and league in scoring with 24 goals, breaking the old school record of 12 goals set in 1972. Playing along with Tony on the front line were Joe O'Connor, Tim Brown, Keith Wilson, and Ricky Cardoze. The half back line was centered by Gene Reid, with Wink Dulles and Billy Haxo as wings. The three defense-men were Mark Sikand, Phil Curry, and Robert Malhame. Giving an average of .8 goals per game was goalie Mike Kiernan.

The highlight of the season was the last game against Trinity-Pawling in which the Saints came away victorious 2-0. Going into the game, Trinity-Pawling was ranked well above Canterbury in the New England standings, and the squad knew in order to cap a successful season they had to win. With a pep rally the night before, the Saints were fired up and played their best game of the season. The victory placed Canterbury above T.-P. and in the top five in the New England standings. The soccer team would like to thank Coaches Coffin and Boland for a job well done.

GIRLS' VARSITY SOCCER

Under the leadership of Coach Elisabeth Conley, captain Patty Hughes and assistant captains Stephanie D'Alton and Sheila O'Connor, girls' Varsity Soccer experienced its finest season ever. An extensive eleven game schedule which yielded a record of 10 wins, 0 losses and 1 tie also gave the team first place in the Women's Western New England Prep School Soccer Association. In addition to the title, Canterbury also captured the top three individual scoring spots with Stephanie D'Alton scoring 16 goals during the course of the season and Patty Hughes and Debbie O'Connor netting 12 each. In eleven games, the Saint offense tallied 57 goals, an average of 5.2 per game. Defensively, Canterbury gave up only 20 goals, 1.8 per game. The dedication and hard work put in by Coach Conley and all the players produced an excellent season which will long be remembered in Canterbury sports history.

VARSITY CROSS-COUNTRY

Canterbury's Cross Country team completed its most successful season in its short history this fall. Led by coach Mr. Walter Burke and captain Peter Bruch, the team was able to remain undefeated throughout its twelve regular season meets and finished first in the New England Class 'B' Championship Meet out of 14 participating teams. The team's number one runner, Chris Adams, took first place in all but one dual meet.

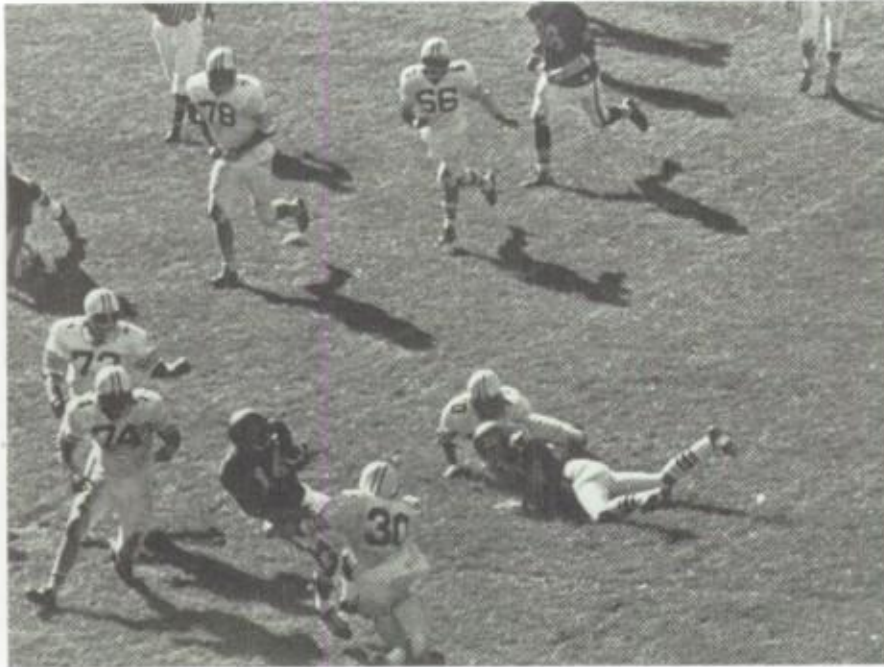

Not far behind Chris was Gerry Vanasse, who preceded Steve Murphy, Grant Anderson, Tom Martiska, and Rich Hopkins, respectively. With only three of the varsity runners, Martiska, Hopkins, and Bruch, graduating this year, next year's team has a solid base to build on and promises to be the best yet.

VARSITY FOOTBALL

Even though this year's Varsity Football team was not as talented nor as experienced as the teams Canterbury has known in previous years, the team was very enthusiastic about football. This enthusiasm was largely due to Canterbury's new head coach, Mr. Jack Karpoe, and the coaching staff. The coaches turned a group of inexperienced young players into a solid nucleus for 1976. The younger players depended on the talent of the few seniors on the team and on the leadership of our co-captains David Lajoie and Robert O'Connor. The players and coaches will always remember the exciting highlights of this season, such as an O'Connor catch, a Lajoie gallop, or a Leibrandtsack.

The seniors deserve credit for giving all they had in each game and setting an example for everyone else.

In the final game of the season against Trinity-Pawling, an unpolished Canterbury squad played its heart out only to go down in defeat 14-0, . . . But no one walked off the field with his head down.

With a very strong Junior class coming back next year Canterbury football will return to its best. However this years team made that possible and for all those not returning . . . Thanks!

VARSITY BASKETBALL

Varsity Basketball enjoyed its finest season in the school's history, finishing with a 17-3 record. Two of those losses came from the hand of Avon, one of the games being in the semi-finals of the New England Championships.

The Saints finished 11-1 in league play, giving them a tie for the league championship along with Avon. The team was led by captain Bob O'Connor, whose floor play kept the Saints in control of games all season long. The front court was dominated by All New England player Paul Daley and second team All-Star, Bob Leibbrandt. Two other front court men John Glynn and Rob Malhame helped considerably with outside scoring while playing a sound defensive game. All these players will be greatly missed. However the future looks bright with five returning underformers. If there is one person who made it all possible it was Coach Gaudreau. He too will be leaving and his coaching techniques will be greatly missed. Good luck to next years team.

GIRLS' VARSITY BASKETBALL

New coach Mr. Bilodeau led a young Canterbury Girls' Varsity Basketball team to a winning season of 9 wins and 7 losses. The team, composed entirely of underformers, was co-captained by juniors Nora Hegarty and Mary Kate Shea. Sophomore Dorothy Alpert averaged almost 17 points per game to lead the team in scoring.

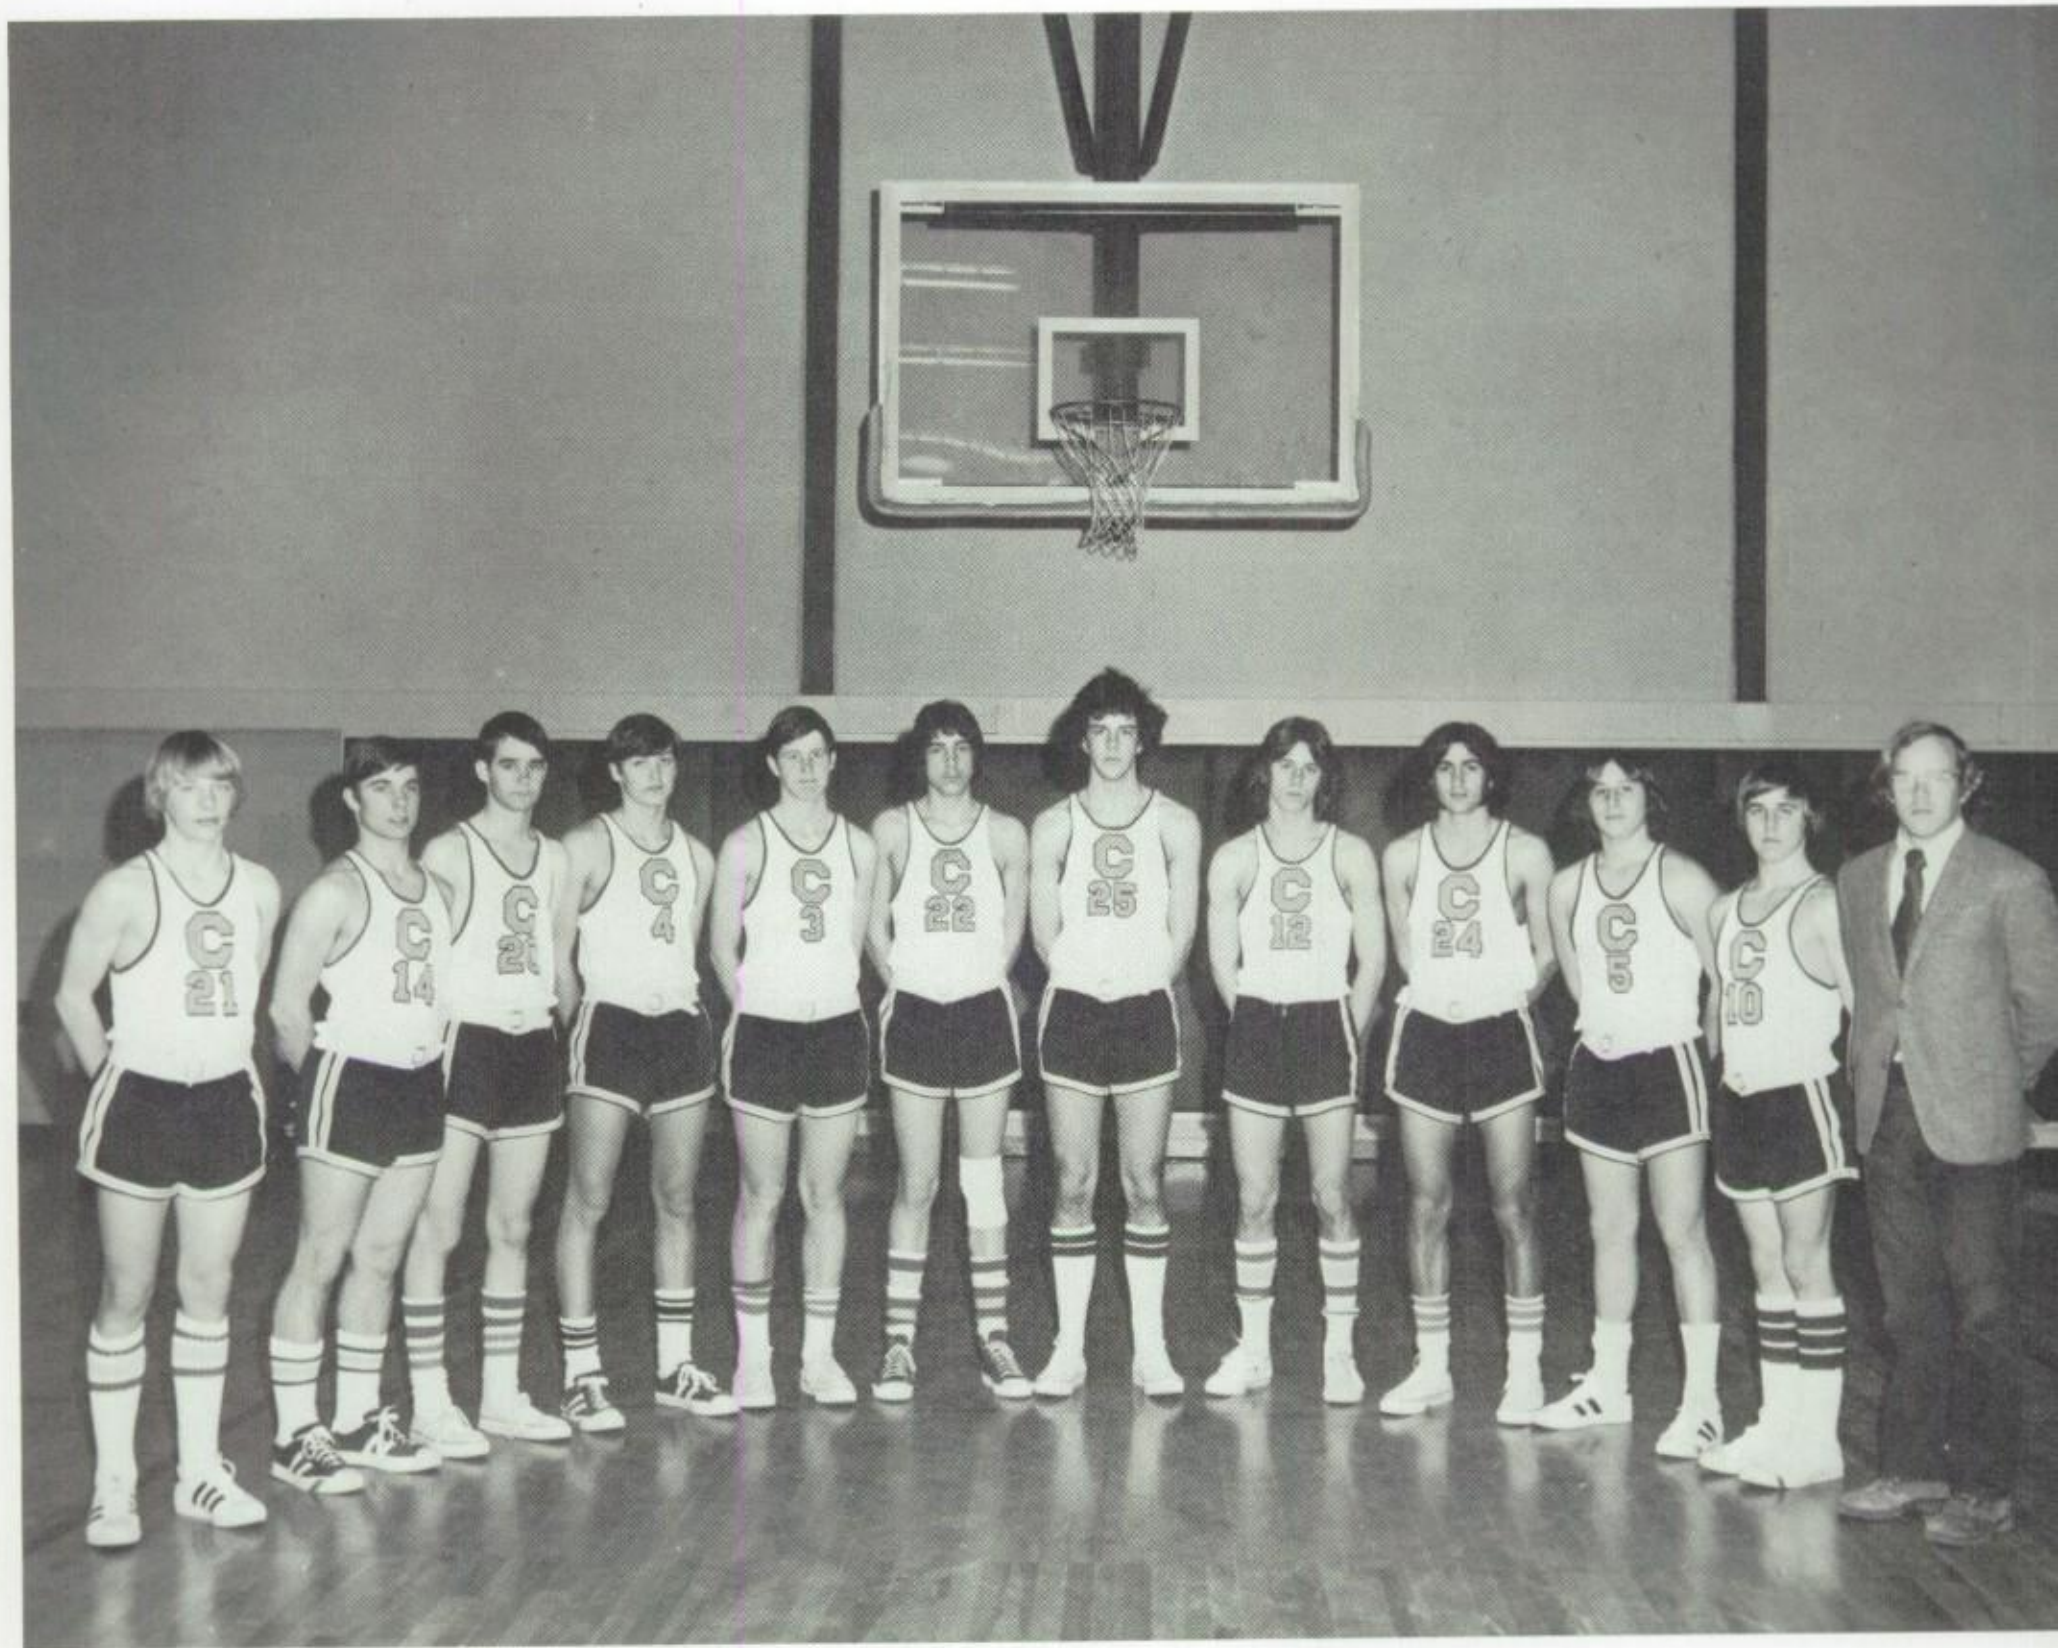

The girls' J.V. team finished its season with a 2-2 record. The potential of these two teams certainly makes the future look bright for girls' basketball at Canterbury.

VARSITY SQUASH

This year's Varsity Squash team finished its season with a respectable 4-6 record. The team came back at the completion of the season to win three of its last four forays by scores of 7-0. Next year's squash team should be the best in the history of Varsity Squash at Canterbury since five of the seven lettermen will be returning.

The entire team thanks Mr. John Graney for communicating his humor and his expertise of squash. We would also like to thank Chris Yesawich for keeping the courts clean and for keeping score at our matches.

VARSITY HOCKEY

Hockey, the fastest game on foot, has yet to prove itself at Canterbury. It is an uphill battle, but there is only one way the sport can go, up! With the addition of an enclosed rink, the future looks bright. The team of '76 bore few victories. Each game was a battle which kept everyone at a high emotional level. Though, most of these battles ended in defeat, the team never lost its spirit. It is this spirit that kept the team fighting. The season was a learning process, which is all high school sports should be. Competitive but learning important values of life — the '76 Hockey team was educated in ice!

VARSITY SWIMMING

This year's Varsity Swimming team, which was coached by Mr. Tallamy, had a disappointing record of 0-11. The team's pool record would have been better except for the fact that the "Dreaded Mahangus" wiped out the swim team and the pool had to be closed for two weeks. The team lost valuable practice time but captain Rich Hopkins kept the team together by running everyday. The team had a number of junior swimmers who will be tough to beat next year. They will be headed by next years captain, Robert Farley. Other swimmers who deserve credit are Dave Alley, Jim Routh, Mark Sikand, Rich Camarda, and Gib Geiger. Mr. Tallamy did a fine coaching job. Next year's team should be a competitive one and a team to be reckoned with.

FIRST L. to R.: M. Jajer, C. de la Guardia, J. Rueda, SECOND: J. Viau, N. Hume, S. Anderson, Mr. Tallamy, D. Trigo, G. DeObarrio, R. Hopkins, P. Wood, R. Camarda, THIRD: G. Geiger, F. McCahey, G. Lahvis, D. Alley, J. Gerow, R. Farley, M. Mikand, J. Routh, TOP: T. Ewing, J. Rynn, M. McGrath.

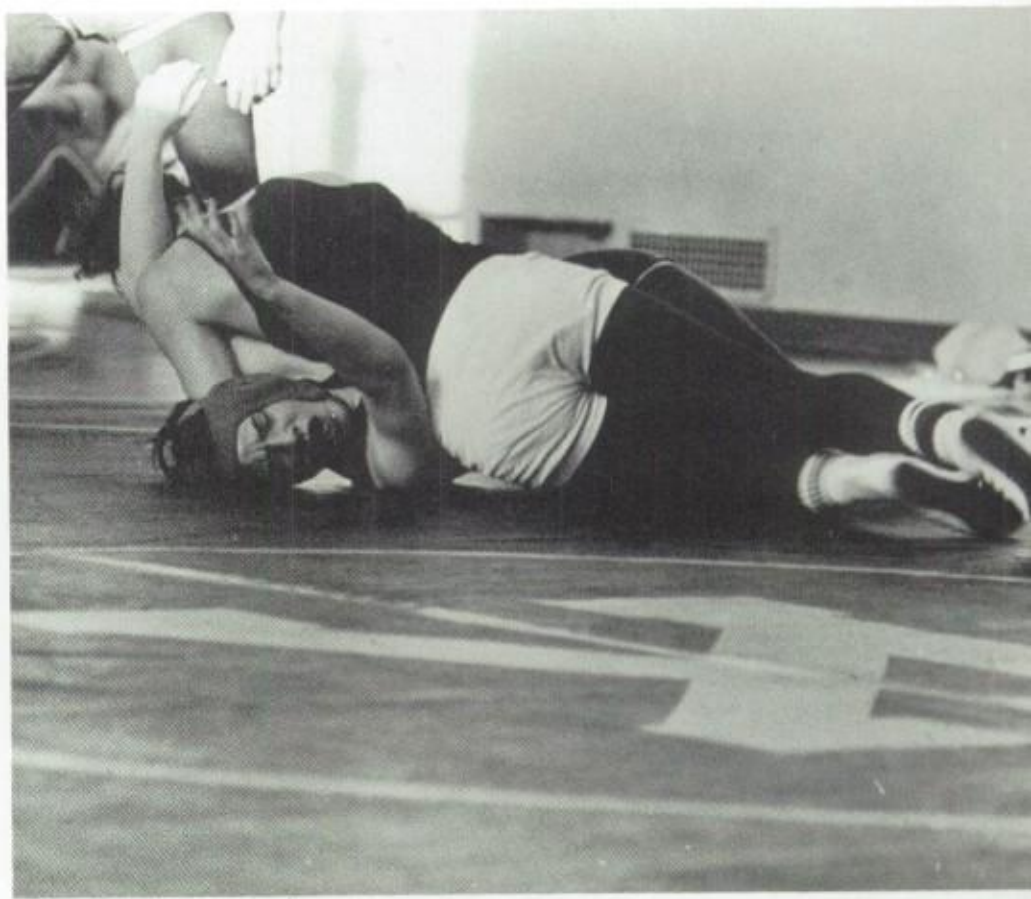

GIRLS' VARSITY SWIMMING

Despite the excellent coaching of Miss Conley and the devoted leadership of captain Sheila O'Connor, Girls Varsity Swimming still ended their season with a depressing 0-6 record. The enthusiastic spirit of the girls remained steady throughout the many weeks of grueling practices. The team consisted of many spirited and enthusiastic girls. The initiative was found in our star swimmer, Mary Garofalo, and also in many other swimmers on the team. As a whole the team showed much strength and dedication throughout the season that was put into this varsity sport. The team, though young this year, looks very hopeful for the future years and will probably show better results with more experience.

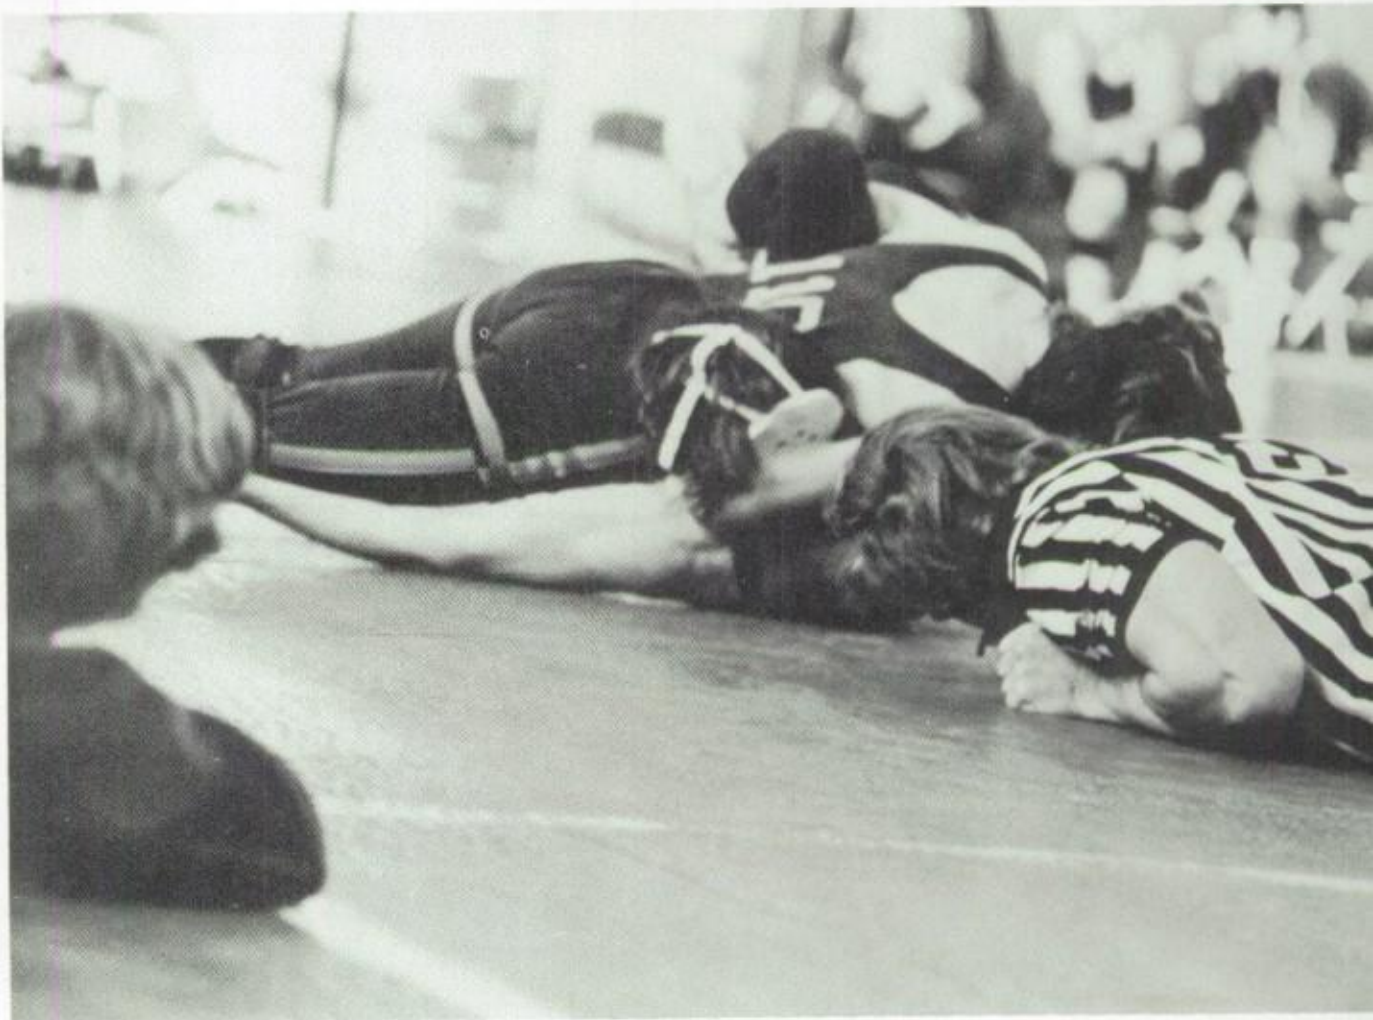

VARSITY WRESTLING

The Varsity Wrestling team finished it's season 3-8-0. This was the record of a very young team. Comprised of mostly sophomores and juniors, the team was led by co-captains Tim Kerns and Steve Carter, both veterans of the team. Senior Geoff Regan compiled the best record and finished second in the state. Next year the team will be led by Wing Ming Tan and Richard Brancato.

FRONT L. to R.: S. Kiernan, T. Altermatt, T. Kerns, M. Altermatt, G. Regan, J. Angyal, MIDDLE: E. Reynolds, R. Brancato, R. Heded, V. Flynn, W.M. Tan, J. Carter, R. Cardoze, G. Ringstad, BACK: Mr. Robert, W.T. Tan, N. Edmondson, M. Hotung, T. Regan, L. Orbe, S. McKee, F. O'Neill, Mr. O'Donnell, J. O'Meara.

VARSITY LACROSSE

Unfortunately, the 1976 Lacrosse season started rather slowly. The team had some early scrimmages that seemed to foretell a grim story for the rest of the season.

The Saints met Suffield at home for the opening game. An inexperienced defense and a nervous offense led to the team's first league defeat. Followed by a defeat to Salisbury.

Thereafter the Saints compiled victories against South Kent, Berkshire and Trinity-Pawling. Certainly the 1976 Lacrosse season no longer looks grim but promising. The team, made up of attackmen, John Glynn, Roy Fugazy, Joe O'Connor, Brian O'Brien, midfielders, Gene Reid, Tim Brown, Frank Bice, Rob Farley, Phil Curry, Lance Orbe, Kevin McAvoy, and defensemen, John Schaffeld, Richard Brancato, Chris O'Brien, Chip Ingrassi and goalie Dave Karlen has much potential. Under the coaching of Mr. Huntington and Mr. Dunbar and the leadership of co-captains John Glynn and Dave Karlen the 1976 team will finish with a fine record.

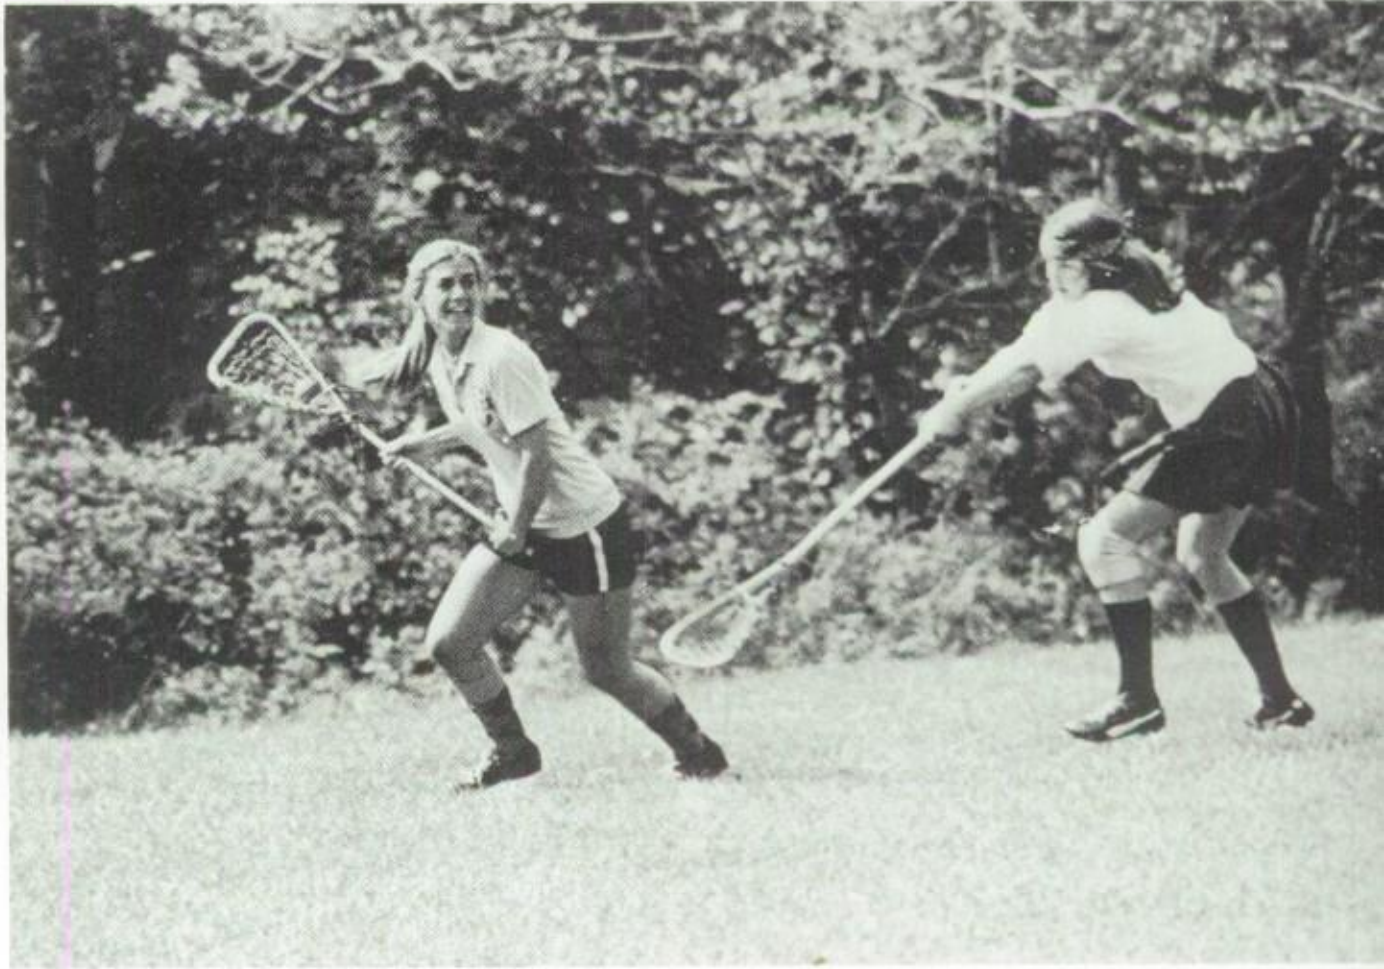

GIRLS' VARSITY LACROSSE

Canterbury Girls' Lacrosse has begun its season with a majority of newcomers. The beginners, eager to learn, have generated a leadership in the more experienced girls. Coach Niles and co-captains Sheila O'Connor and Stephanie D'Alton have taught the girls to appreciate and to contribute to a unified team. The team spirit, which has grown through victory and defeat, has made the '76 season a memorable one. Best of luck to next year's team.

VARSDITY BASEBALL

Under coaches Mr. Bilodeau and Mr. Karpoe, Varsity Baseball is looking forward to a successful season. Captain Bob Leibrandt is expected to lead the team with his powerful bat and is hoping to get help from Paul Daley and Wayne Owens. The team has a balanced attack, combining young players with experienced veterans, so that all are looking forward to a very promising season.

VARSITY TRACK

The best way to describe this year's track team is by saying that it was "a surprise". The team ended its regular season with a 7-1-0 record and the only loss was to Berkshire by a slim margin of 12 points. The team's strength came from third, fourth, and fifth formers as there were only three seniors on the team, two of them being co-captains Wink Dulles and Dave Lajoie. Alex Michelman and Dave Caruso were probably the team's most consistent performers as they led in their specialties the sprints and the jumps.

This year's track squad was fortunate to have three coaches. Mr. Burke was the head coach and his two assistants were Mr. Coffin and Mr. O'Donnell.

FIRST ROW L. to R.: E. Jensen, M. Sikand, A. Grier, D. Lajoie, W. Dulles, A. Michelman, V. Burke, SECOND ROW: Y. Kim, C. Adams, J. O'Neill, M. Bellcourt, S. Murphy, R. Camarda, D. VARSITY TENNIS

Varsity Tennis consists of a very young and talented team this year. Under the skillful coaching of Mr. Viau, the players have improved their tennis game. The team is led by captain Miguel Rovira.

He and underformers Gabe de Obarrio, Bill Perley, and Paul Capella are the veteran lettermen.

The rest of the team is made up of two seniors and one more underformers. These are Matt Murphy, Martin Crimmins, and Mike Burke.

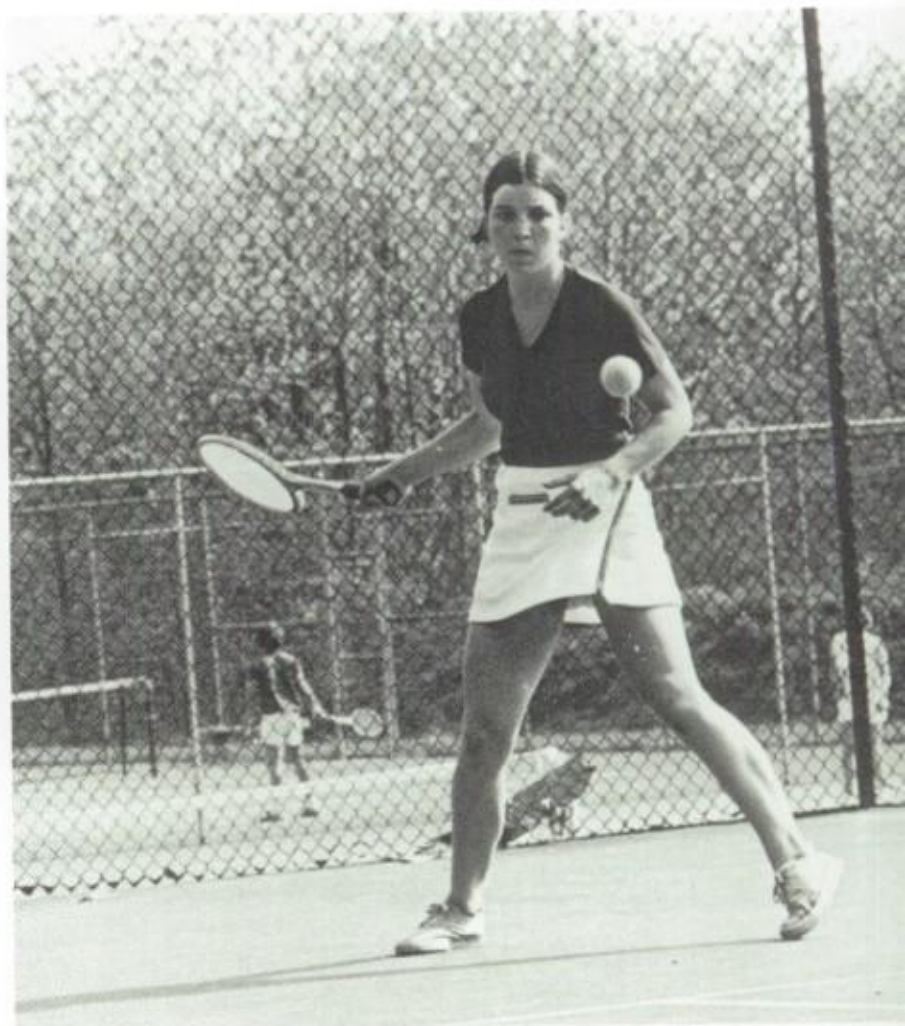

Special credit should be given to Paul Capella who has the best record as a singles player. The record for the entire team was 2-5; not an outstanding record but an improvement over last year.

L. to R.: Mr. Viau, M. Crimmins, P. Capella, G. de Obarrio, R. Malhame, G. Stefurak, W. Perley, M. Rovira, H. Burke.

GIRLS' VARSITY TENNIS

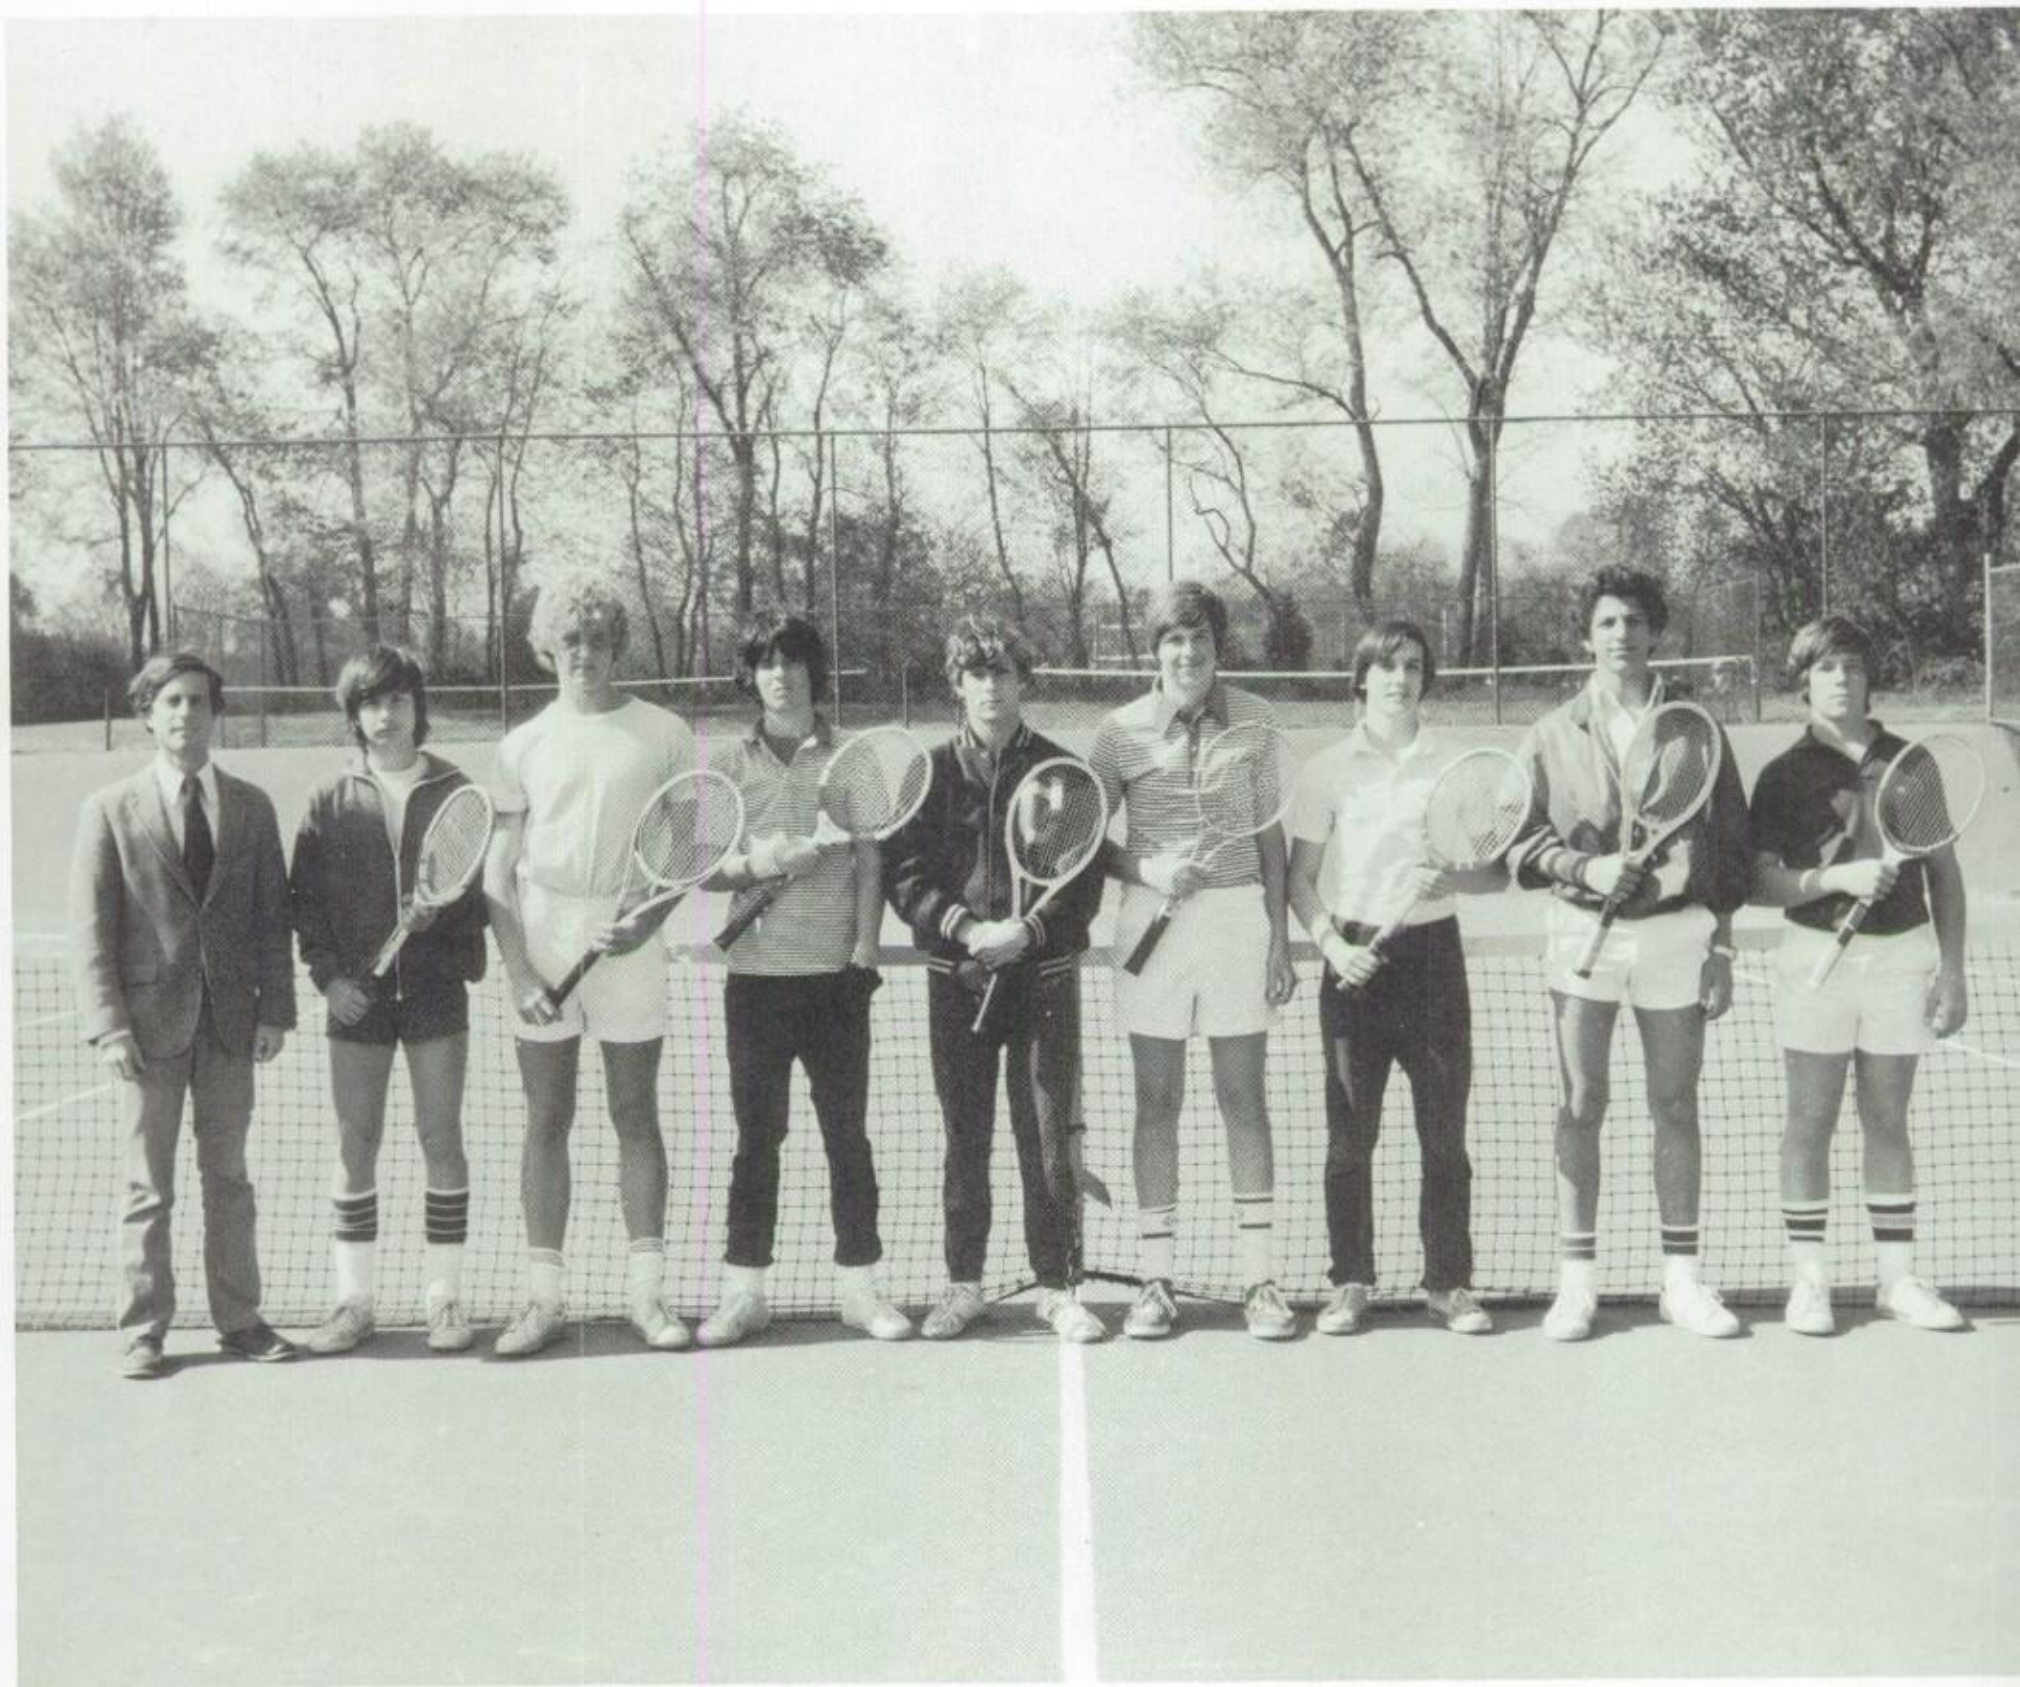

This years Girls' Varsity Tennis team, headed by coach Miss Conley, holds a promising future. Despite inclement weather and various other difficulties the team defeated Taft J.V., Trinity-Pawling, Wooster, Suffield, and Forman and suffered one defeat by Hopkins Grammar. The team consists of Dede Kelly and Marcia Cavanagh fluctuating between the number one and two positions. Kellen Burke holds third position and Sarah McGaughan in fourth. Bailey Breene and Mara Saperstein play a consistent fifth and sixth positions. The doubles teams consist of Sue Cooper, Nora Hegarty, Elaine Mullen, Cathy Brutico, Joanna Martiska, and Judy Flayderman. The management of the team is handled by Diane Bordeau and Mary White.

ACTIVITIES

CANTUARIAN

The Canterbury School yearbook holds the privileged honor, over all other school publications of defining a complete school year in one issue. The yearbook portrays the life, ideals, victories and defeats of the entire school campus.

It is a photographic essay giving access to many enjoyable memories of a student's past days at Canterbury.

MISSION SOCIETY

For the past ten years the Mission Society, an organization run by students and under the guidance of Mr. Boland, has worked to earn money for many worthy charities, both in the United States and abroad. For instance; each year they send a donation to Daeyun Orphanage in Korea, missions in Latin America and in the East and West Indies. They also aid the Canterbury Summer Camp for underprivileged children. During Christmas the Mission Society donate meat baskets for local needy families.

Money is earned from many sources among which are bake sales, raffles, car washes, donations and, probably their best known fund raising operation, the snack bar.

We hope that in future years the students will continue to show interest in this worthy cause, and continue making it a success.

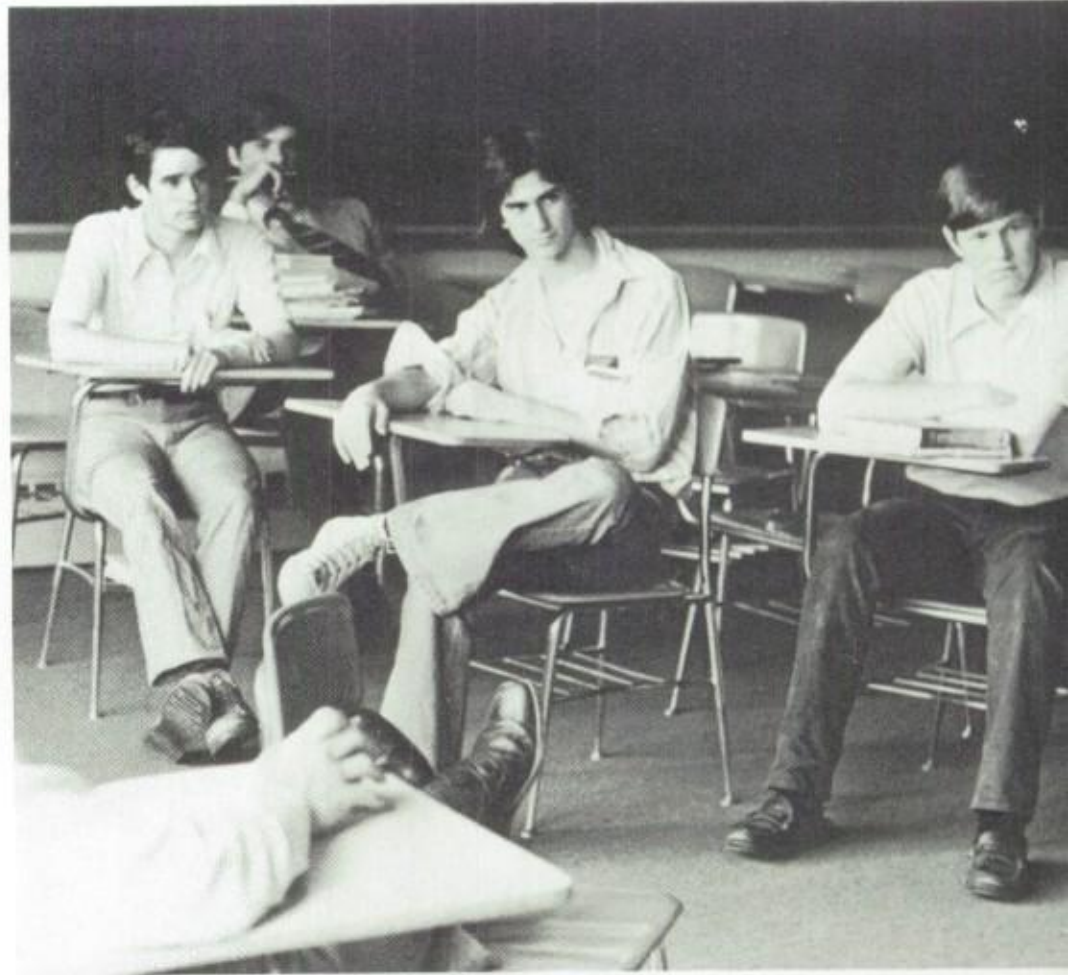

SENATE

The Senate is a body of elected students and faculty with the objective of improving the school through the creation of many social functions, and by overseeing many of the activities about campus. While they do not formulate school policies they act readily on ideas and suggestions coming from the student body.

Specific accomplishments this year include a paper drive, school I.D.'s, an honor code, concerts both on and off campus, and several gala dinners and receptions. They oversee the Dance, Reception, and Weekend Committees.

For the 1975-1976 Student-Faculty Senate, the year has been successful and productive.

PRESS CLUB

The Press Club, under faculty advisor Mr. Buck and senior Timothy Kerns, is a group of approximately fifteen Canterbury students. They act as a source of season wrap-ups and team rosters for Parents' and Alumni Days. All outstanding accomplishments of Canterbury individuals and newsworthy events are conveyed to local newspapers, along with the scores of athletic contests. Canterbury School obtains much public acknowledgement through the efforts of this club.

The school's newspaper, the Tabard, is organized by the students and is printed every six weeks.

Its contents include progress of the school sports teams, social and cultural events, political viewpoints, upcoming school activities, profiles of several faculty members, and editorials. The Tabard is one of the few sources of communication of school news for parents, alumni, and students, and it gives the students a chance to state their opinions and desires.

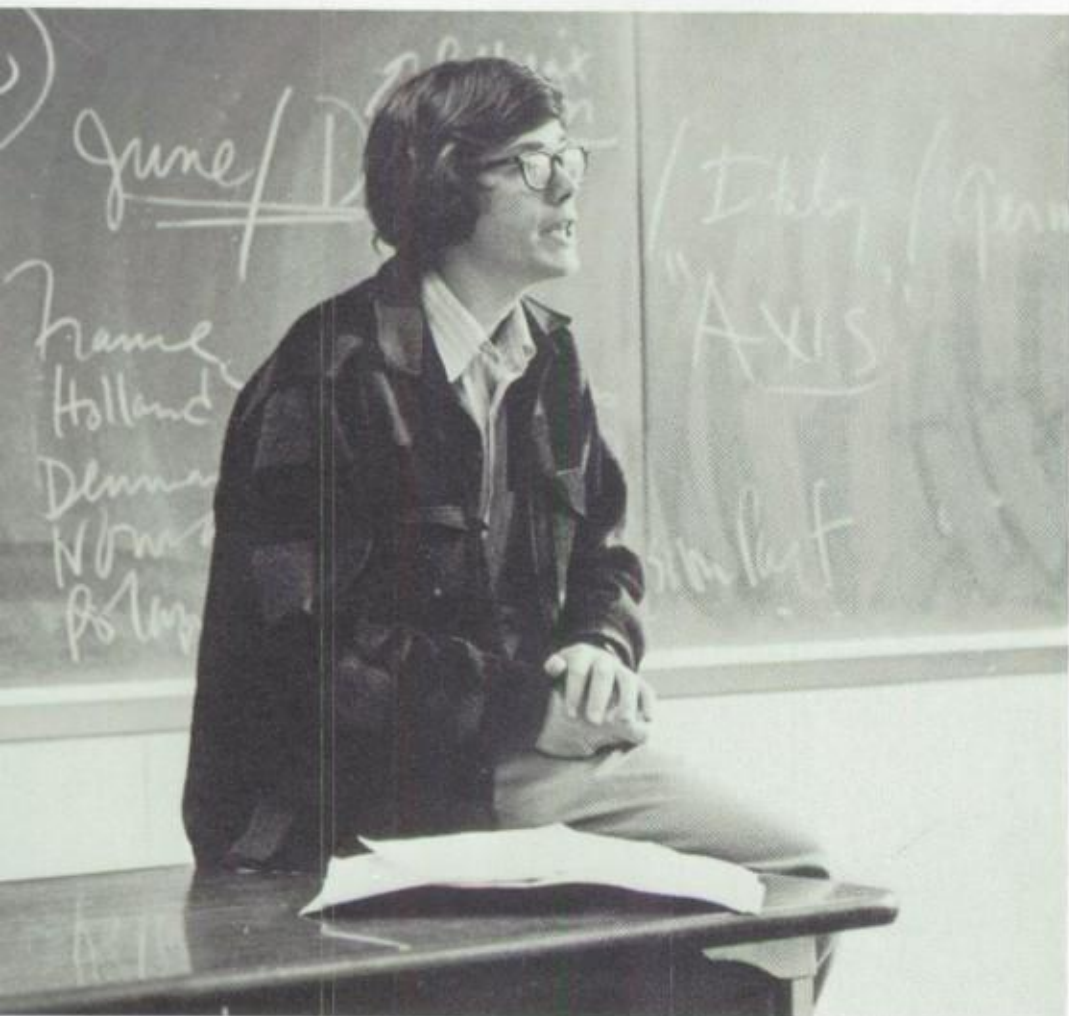

This year we had a change in staff structure; instead of having an Editor-in-Chief, there is an Editorial board which consists of three editors, Siegfried Knopf, Peter Bruch, and William Murray. The Associate Editors are Robert O'Connor and Miguel Rovira, the Sports Editor is Robert Malhame, and the Senior Editors are Jeff Mulhall and Ellen Hill.

This years junior staff members are Mary Kate Shea, Bailey Breene, and Mike Kiernan.

The school greatly appreciated the success of this year's Tabard and its staff and is looking forward to continuing this expertise in literature next year.

DEBATE

The Debating club at Canterbury is an organization dedicated to the advancement of the art of forensic elocution. Under the direction of Warnick Kernan, and faculty advisor Mr. Tallamy, the assemblage argues for and against the advancement of controversial proposals.

COMMUNITY ACTION

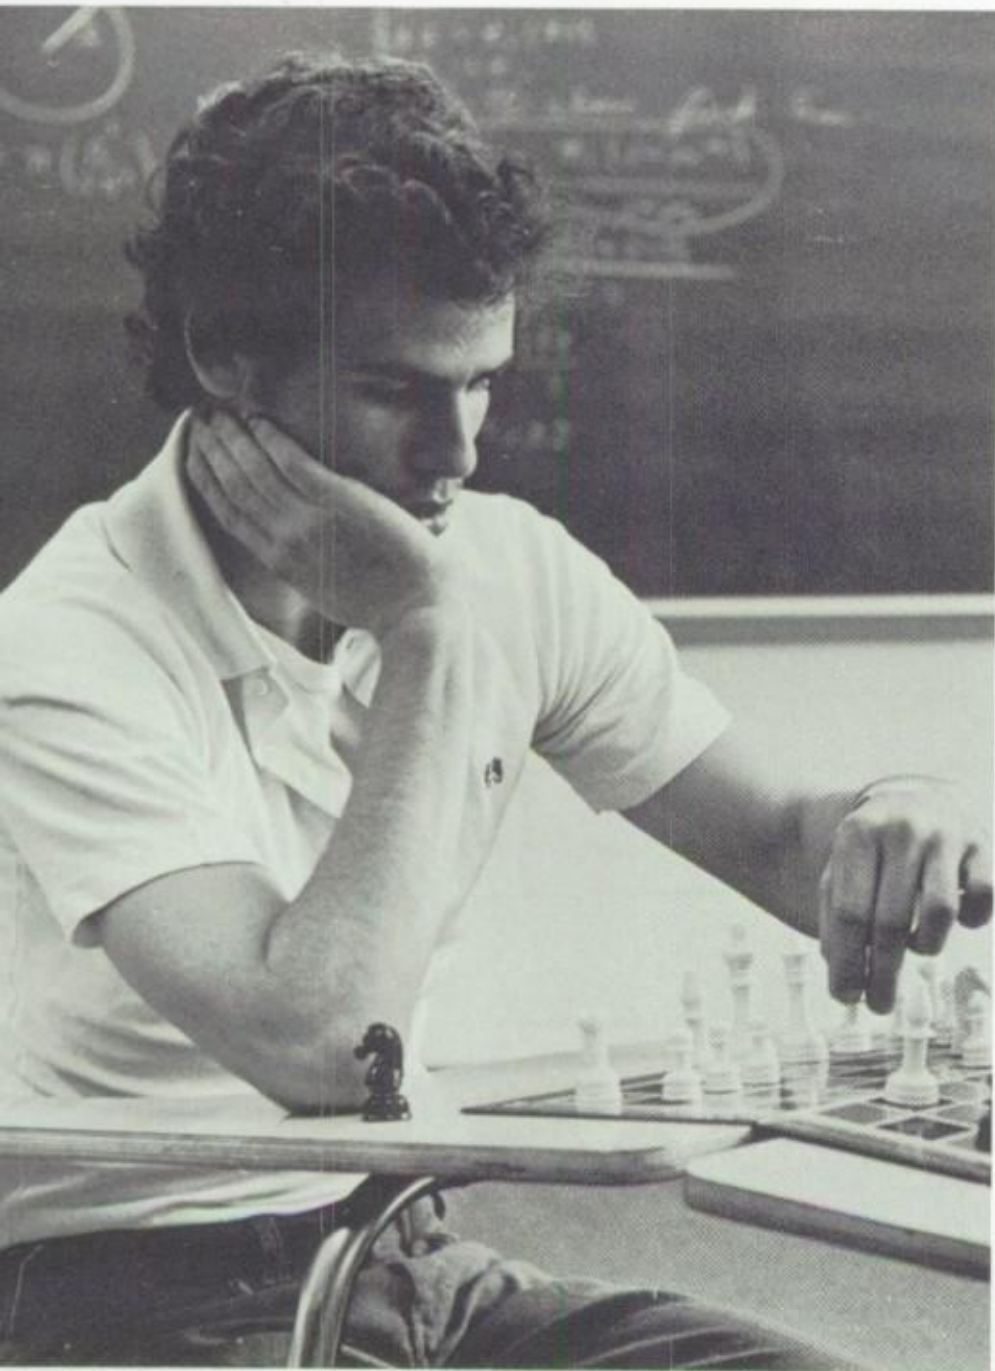

In Community Action this year there are two volunteer programs that Canterbury students participated in.

Mr. Bilodeau organized both these programs and without his encouragement and assistance they wouldn't have been successful.

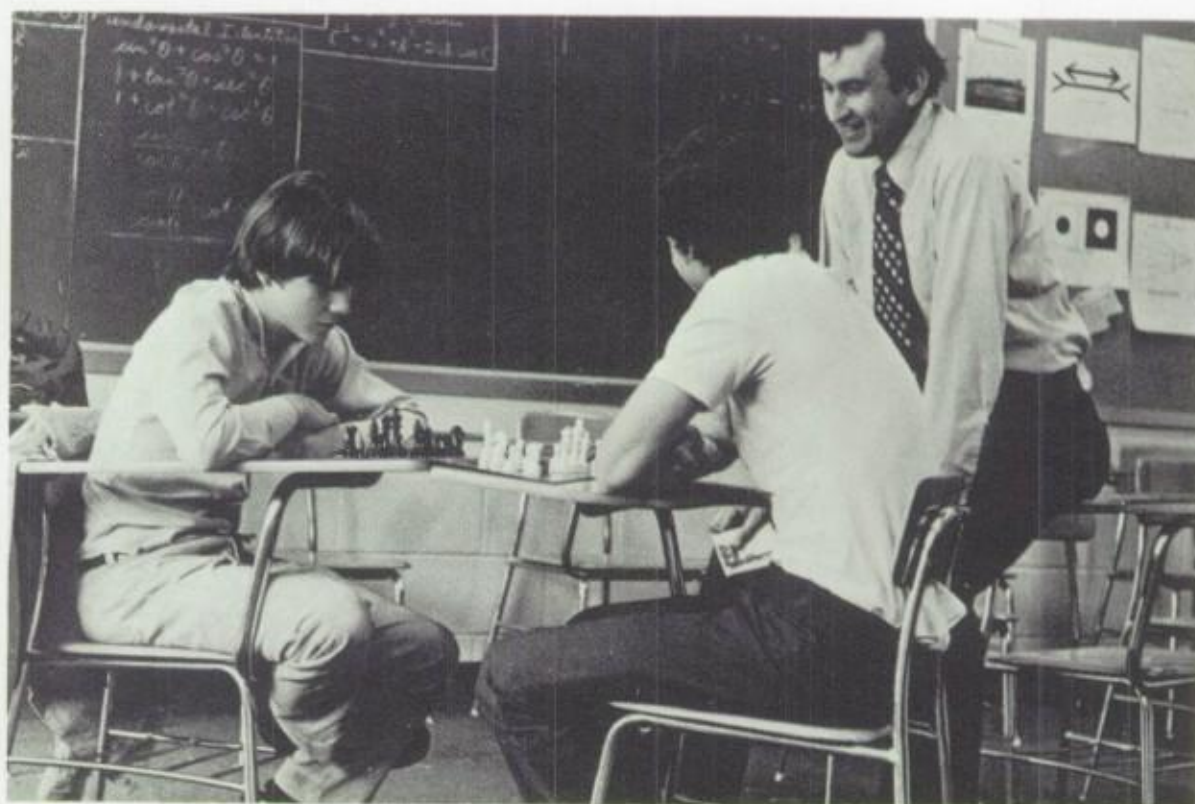

There is a group of students who forfeit their study hall every Wednesday night to teach various courses at the Southbury Training School. The people whom they teach are different from the people they come into contact with everyday for they are mentally retarded individuals above the age of 18, and who have been handed over to the care of the state. Hopefully our teaching there is not only enriching their lives, but also giving them a touch of personal care. Our efforts have been rewarded by the special friendships which we have made with our students and the enjoyment we receive by teaching them.

A group of students also volunteered to work at the New Milford Nursing Home during their free time. They worked on a weekly basis participating in various activities such as bingo, arts and crafts, and giving birthday parties. Most importantly they got to know the patients on an individual basis which included writing letters for them, playing checkers, and mainly engaging in conversation with them about the past and present. Through this experience the students learned a great deal about the elderly and gained respect for them, while they gave them the joy of seeing and talking to younger people.

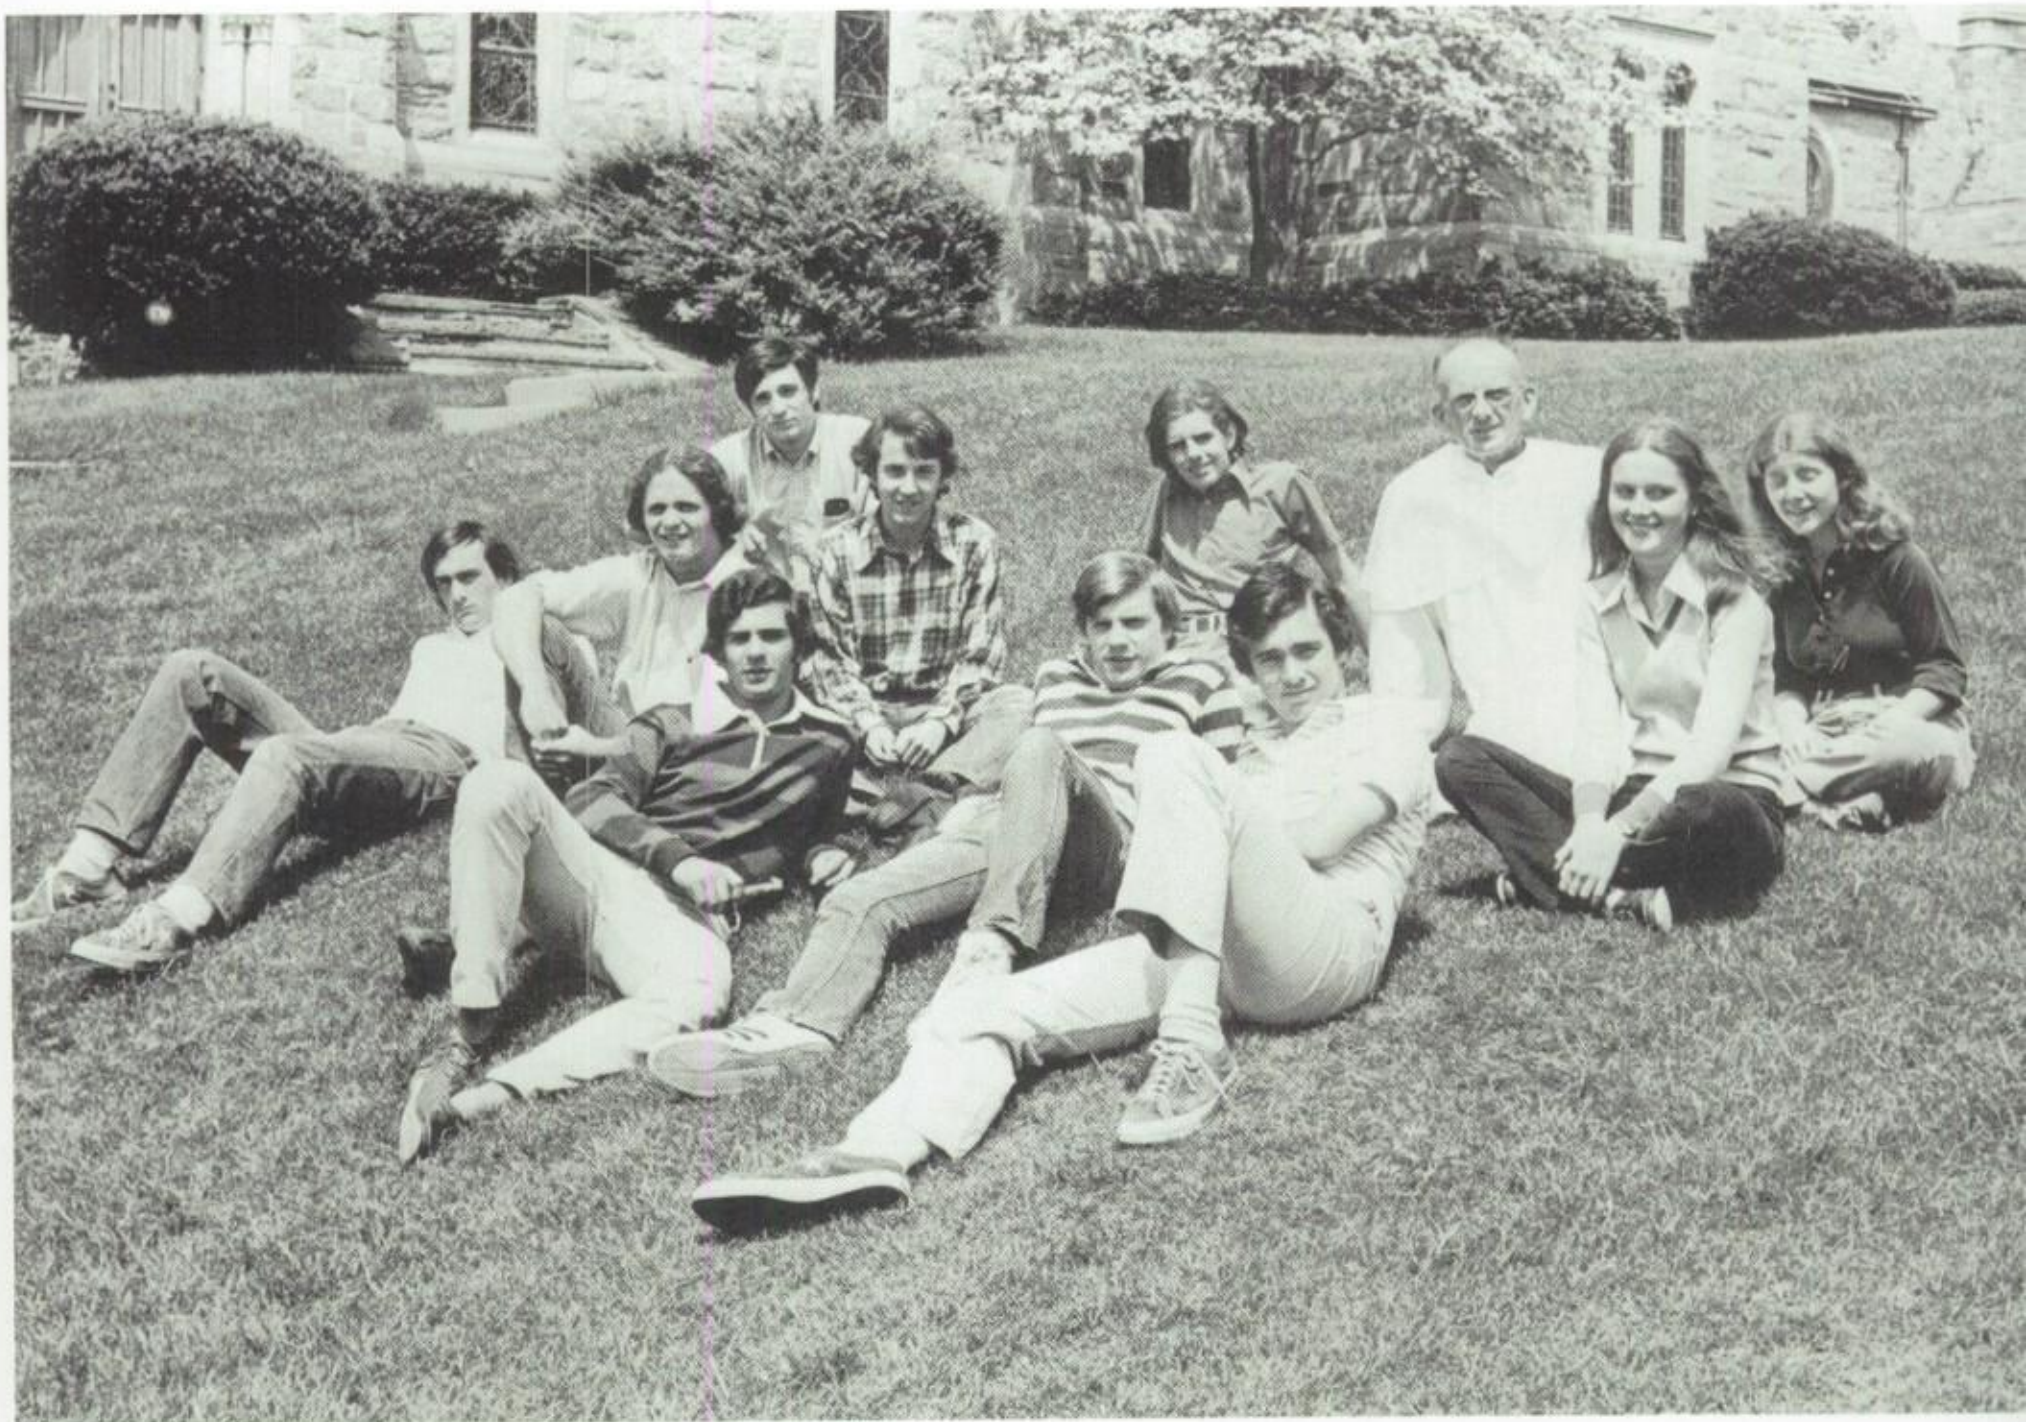

CHESS CLUB

SACRISTANS

A Canterbury sacristan, through daily examples, infuses the Christian beliefs upon fellow Canterbury students. The administration chooses a senior, who in the Headmaster's opinion will best act as a guiding source for under-formers. Whether through the duties of serving mass, or simply by his presence on campus a sacristan is someone whose morals are unyieldingly respected by the Canterbury community.

THE CARILLON

STAFF

EDITORS: Patty Hughes Susan Cooper
 Stephanie D'Alton Libby Tucker

FACULTY ADVISOR: William D'Alton

The *Carillon* is a collection of literature and art which has been contributed by the students and faculty of Canterbury. This literary magazine is published yearly by a group of seniors who are advised by Mr. D'Alton. Patty Hughes, editor of the *Carillon*, has made this years magazine unique with the addition of poems and stories written by members of the faculty. Therefore, the *Carillon* has become a display of the diverse artistic talents throughout Canterbury.

DANCE COMMITTEE

The Dance Committee is an organization which up until a few years ago was part of the Student-Faculty Senate. This new found independence, combined with student administration has given the committee more flexibility.

The committee's job is to organize certain social functions, such as dances, coffee houses and "record hops". The contributing members of the Dance Committee are Tim Brown, Greg Stefurak, Geoff Regan, Kellen Burke, Sarah McGaughan; they were led by Ellen Hill and Mike Schneider.

DRAMA

"Our Town", a drama written by Thornton Wilder was produced on December 16, 1975 by a cast of Canterbury students under the direction of Mr. D'Alton. The story takes place in the northern town of Grover's Corners, New Hampshire, and follows the life of Emily Webb from childhood to her death.

The main inhabitants of Grover's Corners included Emily Webb, portrayed by Ann Gurley, Bill Driscoll as her suitor George Gibbs, Ellen Hill and Steve Kiernan as Mr. and Mrs. Webb and Gabriella Cognetta and Steve Murray as Mr. and Mrs. Gibbs. Adding to the success of the play by their contribution of numerous hours were Mrs. Lahvis, Dave Lajoie, and Peter Tucker.

"HOW TO SUCCEED IN BUSINESS WITHOUT REALLY TRYING"

This year, and for the past two years, Canterbury has produced a musical to raise money for the Summer Camp. Frank Loesser's "How to Succeed in Business Without Really Trying" was chosen to be put on.

For four weeks, sixty Canterbury students worked hard on this production and two performances were given over Parents' weekend. The lead characters, Tim Brown as Finch, Denise O'Connor as Rosemary, Gabriella Cognetta as Smitty, and Gerry Vanasse as Frump all did exceptional jobs.

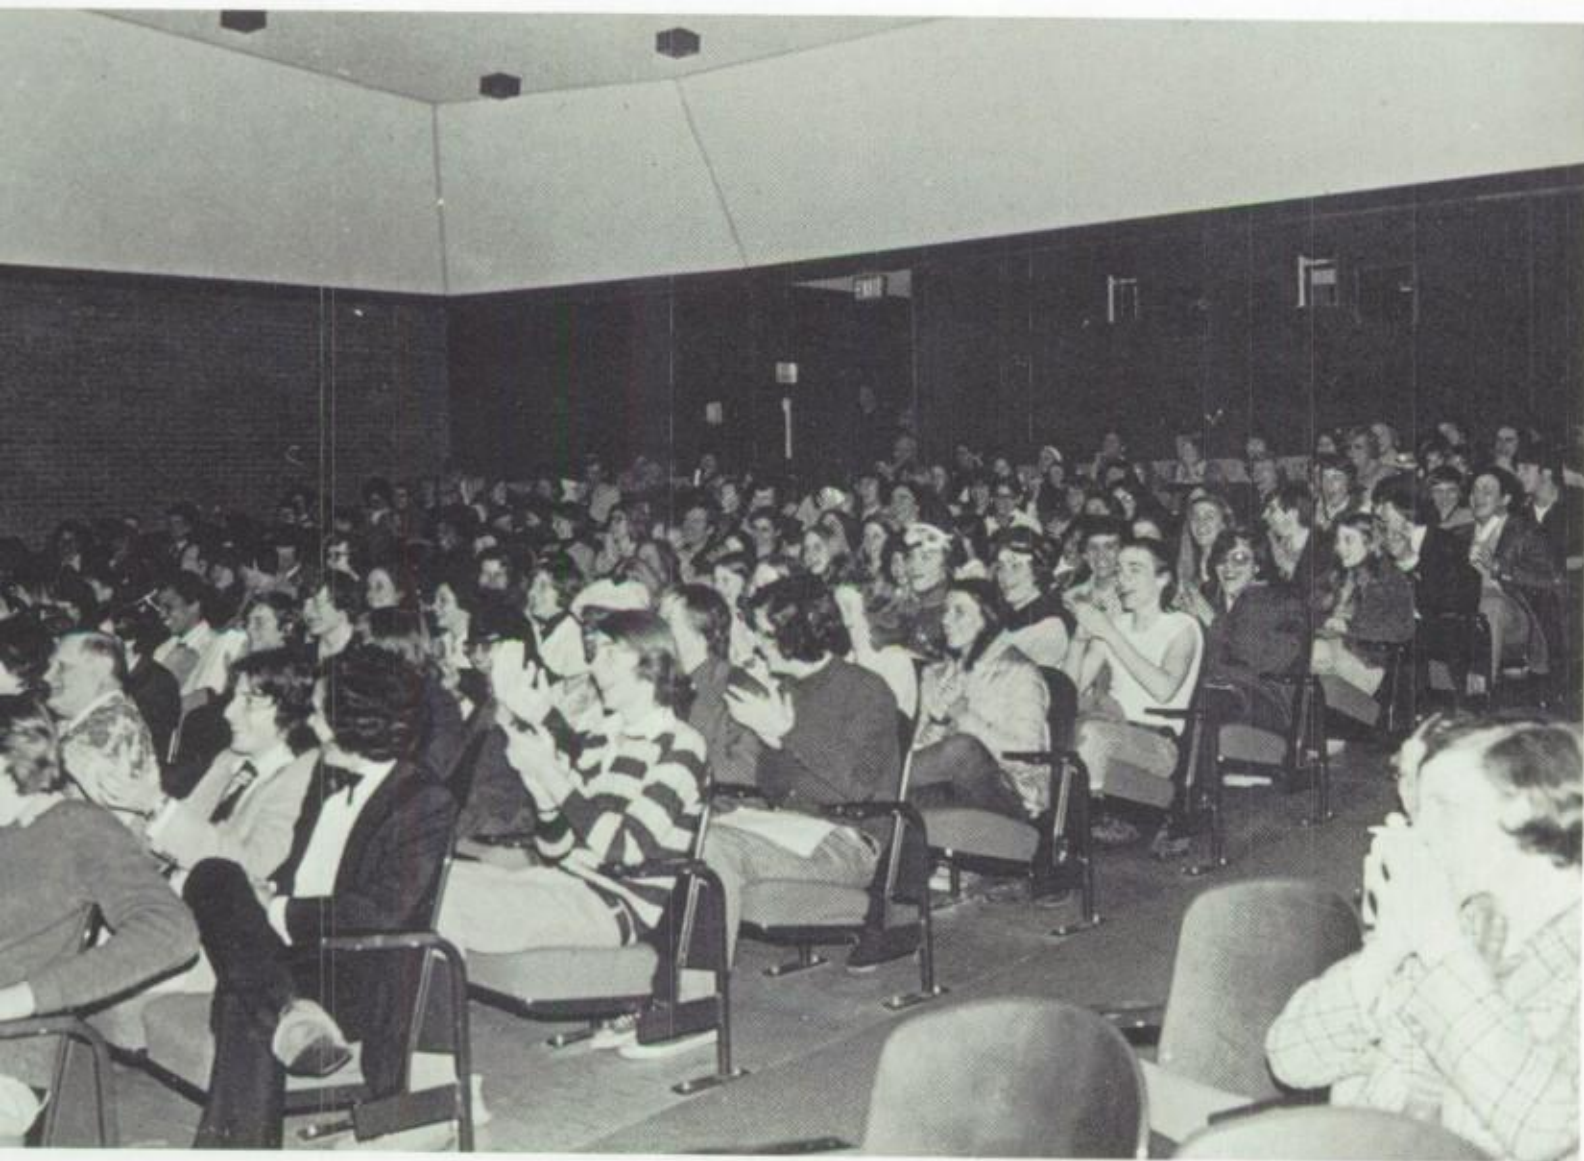

Under the direction and musical direction of Mr. D'Alton and Mr. Vanasse, respectively, the musical was a great success. Much credit is also given to Mr. Kreiger, Mr. Cauchon, Mr. Martiska, the stage crew, and all others who worked hard to make it all possible.

Canterbury is to be congratulated for remaining unswervingly faithful to its purpose in life. It has taken the winds of change in calm stride, accepting at times, rejecting at times — ever mindful of offering its students the finest education possible, intellectually and physically, and never forgetting their moral and spiritual development.

As grateful parents of George '74 and Robert '76, a most sincere thank you to all the nice people at the top of Aspetuck.

— Edmond and Louise Malhame

Our revels now are ended. These our actors,
As I foretold you, were all spirits and
Are melted into air, into thin air;
And, like the baseless fabric of this vision,
The cloud-capped tow'rs, the gorgeous palaces,
The solemn temples, the great globe itself,
Yea, all which it inherit, shall dissolve,
And, like this insubstantial pageant faded,
Leave not a rack behind. We are such stuff
As dreams are made on, and our little life
Is rounded with a sleep.

— The Tempest, IV, i, 148–158
